## Chiefly speaking

Greetings everyone, I hope you had a wonderful summer. This year, as a chapter, our goals are to increase attendance, membership and to win best all around chapter for the 5th year in a row. Also, plans are being made for us to do a conservation project, and have fun doing so. With that, I welcome you back and let's have a great year.

Geoffrey Brown,  
Chapter Chief

## Patch competition

We are having a patch competition to design a great looking patch to commemorate the achievements of our chapter. The main theme of the patch should be something to highlight our 4<sup>th</sup> year in a row being the Best all-around chapter (be creative). Remember it is a competition so put your best effort into it. Deadline for your design TBA (To be announce).
