3rd Issue Dec 2008

## Chiefly speaking

Brothers,

I would like to wish everyone happy and safe holidays as many of us take off to see family and enjoy our vacation. I encourage everyone to attend the service day, occurring December 6<sup>th</sup> at Camp Echockotee at 8AM. Winter fellowship is going to be Jan.9-11 in which there is no service and new vigil members are tapped out. For those that have never witnessed this ceremony, its one you'll be sure to remember. LOAC (Lodge Order of the Arrow Conference) is also taking place this fellowship. This is a chance to take fun classes and sharpen your skills be it, leadership, Indian affairs or dancing.

I would like to see maximum participation at all events and encourage our arrowmen to be loud, show chapter pride and most importantly, have fun! Scouting is only what you make it to be.

Yours in WYW  
Bryan Franz

## Fall Fellowship

Gentlemen,

I hope everyone that attended Fall Fellowship had a blast. I know I surely did! I was proud to see the chapter pride and loud cheers. I know sonic will soon be ours again if we show consistency at the winter fellowship. I hope all the new ordeals reading this are excited about the journey they have begun. It is one full of knowledge, adventure and fun. I can't wait to see our turnout at winter fellowship.
