Chiefly Speaking

Brothers,

Section Conference is approaching fast and everyone knows this weekend is the bee's knee's! Everyone needs to ensure they have signed up and paid and are prepared for an excellent weekend.

Summer fellowship is going to be held the weekend of May 15 -17th, this is a very exciting fellowship for several reasons; the excellent weather, fun games and election of new officers on both lodge and chapter levels. If you are interested in running for a position be sure you are aware of the commitment and responsibilities each office holds.

Hope to see everyone at conference and fellowship!!

Summer Camp Staff

For those who are above the age of 14 and are looking for a summer of fun, teaching and fellowship then Camp Shands is the place for you! As an Order of the Arrow member you have learned the necessary skills to teach classes about the very things you enjoy. Remember a good job is that someone is paying you, a great job is someone paying you to do something you love! See any officer for more details!
