

The Beaver

6th Issue May 2009

May 2009

Chiefly Speaking

Brothers,

This will be our last newsletter together as we depart for our summer vacation. However this is not goodbye as I will see you fellows at the Fellowship, Section Conference and NOAC. As summer unfolds I want to wish each of you happy and safe vacations and hope to see you all return in the fall for another exciting year in our ever growing chapter.

For the officers soon to be elected I want you to promise me you will lead the chapter and be excellent role models for these arrowmen. Scouting and the Order of the Arrow can only be what you make it.

Forever yours in service
Bryan Franz.

Creative Ideas

For those of you wishing to change up the meetings with new games, food, or themes, I want to challenge you to think of suitable games that you would consider to be fun. Instead of talking about change, invoke it. Feel free to share any new ideas with the officers or advisors. Please make the address polite and refrain from negative speech about the current structure. No one like a negative Nancy!

Mitchell Grandle
Secretary

Section Conference Pictures

Next Chapter meetings:

May 21

Aug 20

Chapter and District and Council Events:

Scouting in the Outfield Apr 17-19 –

Those who attended enjoyed a great program and the baseball field downtown Jacksonville.

Frog Jog April 17-19 –

Cub Scout Weekend Event, unfortunately not much OA support since our Section Conference was the same weekend.

Section Conference Apr 17-19 –

Awesome event that all should attend given the chance. Our Lodge is very proud to have 3 Section Officers newly elected. Joe Charbonnet/Apieka, Vice Chief, Patrick Gherity/Oglala, Secretary, Michael Filz/Timucuan & Oglala, Historian

Thank you to our Lodge Historian Patrick Gherity/Oglala for presenting our King's Cup competition "Echokotee Lodge Drum" and placing 1st place. Numerous Oglala members assisted in the design, construction and set up of the Drum. Thank you to Patrick Gherrity, Robert Burns, Robert Burns Sr., Pat Wright, & Melissa Wright, all from Oglala. Several from other chapters assisted in the making of this and a big thank you to them as well. Look in the Ames for all the trophies we brought home. Great Event and of course our Chapter had the most participants to attend.

April Service Day Apr 25

Great Service achieved this day at Camp Shands. Completed all on the list for the amount of people that showed. Big Heart, Big Service, Big Smile
Our chapter was represented well and we completed tasks that truly make a difference in the appearance of our Camp. Thank You to all
